## Paragraphs

Use of paragraphs to organise ideas around a theme.

In this word jumble are words related to three themes: Ancient Greece, sports and food. Pick out the theme words that relate to the separate themes.

cake	Zeus	sprint	marathon
Olympics	food	Greeks	olives
grapes	fish	Olympia	meat
ancient	barley	wrestling	beans
wine	sacrifice	sport	boxing
discus	chariot	javelin	stadium
Hades	Sparta	soldiers	Rome

Sports	Food	Ancient Greece

Next, on a separate page, try to write three short paragraphs with the overall title 'Ancient Greece'. The first should be a general paragraph using the Ancient Greek words, the second should be about sports in Ancient Greece and the third should be about food. Try to link the paragraphs using the overall theme, but don't worry too much about historical accuracy if you don't know about Ancient Greece.

For each of the titles below, decide upon four paragraph themes that you would include in a plan for writing on that topic.

The rainforest	Keeping healthy	Where I live
