# Physical Development

## Early Learning

### Goal:

### Fine Motor Skills

Children at the expected level of development will:

Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases.

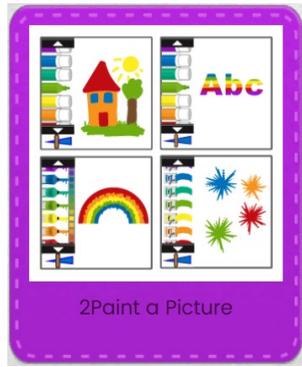

Use a range of small tools, including scissors, paint brushes and cutlery.

Begin to show accuracy and care when drawing.

- Use the interactive whiteboard and 2Paint as part of continuous provision to encourage gross motor movements.
- Use 2Paint on an iPad to help with fine motor skills and movements giving opportunities for children to practise their accuracy and care in drawing.
- Open the paint projects based on topics which the children are learning about for children to colour in with different coloured and textured pens.
- When completed, these paint projects can be printed out for children to cut around to practise cutting skills.

### Jigsaws and 2Pairs

#### (Mini Mash)

Children can practice fine motor skills and movements through playing games which include dragging and dropping.

#### **Lesson ideas: -**

- Allow children to access the games in continuous provision, either using a mouse on a PC or fingers on an iPad, children will develop hand and eye coordination.
