Key Stage 1

Key Stage 1 - London in the United Kingdom

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is the United Kingdom?	Europe Countries Labelling	To situate the United Kingdom on a map of the world & of Europe
		UK Countries Labelling	To identify the countries of the United Kingdom
		British Isles Labelling Quiz	To articulate that the United Kingdom made up of islands and identify the surrounding seas
		English Counties Labelling Quiz Northern Ireland Counties Labelling Quiz Scotland Counties Labelling Welsh Counties Labelling	Counties of the UK Quizzes
		Capital Cities of the British Isles - Labelling Quiz UK Capital Cities Labelling UK Cities Labelling	Capitals in the UK

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

2	What can you find in the United Kingdom?	Physical Feature Categories:			To explore the physical features of the United Kingdom. To identify and name a range of physical features. To describe features of different parts of the UK
		Coasts	Earthquakes	Mountains	
		Oceans	Rivers	Seaside	
		Seasons	Volcanoes	Weather	
		Scotland Postcard Wales			Country Postcards A variety of postcard templates: 'You are spending a few days in XXX. Write a postcard about your time.'
		Bath	Belfast	Birmingham	City Postcards
		Cardiff	Edinburgh	Llandudno	
		Newcastle	Sheffield	Tenby	
		All about Northern Ireland			All about ...(countries) Write a review of XXXX for a future possible visitor to the city.
		Birmingham	Bristol	Newcastle	All about ...(cities) Write a review of XXXX for a future possible visitor to the city.
		Sheffield	Swansea	London	
		Somerset			All about ...(areas) Write a review of XXXX for a future possible visitor to the area.
		Bournemouth	Cardiff	Llandudno	Magazine front pages Create the front page of a magazine for tourists in XXX.
		Southport	Swansea		
	Bournemouth	Cardiff	Llandudno	Attractions	
	Southport	Swansea		Choose and describe three attractions.	

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

		Come to Tenby	Leaflets Create a leaflet to attract people to visit XXX.
3	What is the history of London?	2Connect	Use 2Connect recount template to make a timeline of London
4	How do people move around in London?	Transport Topic Link	Use Paint projects to depict transport in London
5	What are the landmarks in London?	Write a review of London to entice a future visitor to the city.	All About London
		Create the front page of a magazine for tourists in London.	London Magazine
		Create a leaflet about London.	London Leaflet
		Choose and describe three London attractions.	London Attractions
		You are spending a few days in London. Write a postcard about your time.	London Postcard

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 1 – Seven Continents

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is a continent?	World Continents Labelling	Locating each continent on a map
2	What is Europe like?	Europe Countries Labelling Europe Capital Cities Labelling Europe Category link	Map of Europe in the World
3	What is Australia like?	Australia Category link Australia Fact file	Exploring a map of Australia Use the activities to explore areas in more detail.
4	What is Africa like?	African Countries Labelling Physical Features of Africa - Quiz Southern Africa Quiz Africa Category	Identifying Africa on a map and picking out some of the physical features in different parts of the country
5	What is Asia like?	Asia category	
6	What is North America like?	North America Countries Labelling USA Cities Labelling Central America Countries Labelling Canada Cities Labelling North America Category	Exploring maps of North America Use the activities to explore areas in more detail.

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

7	What is South America like?	South America Countries Labelling South American Database – Use this database to explore South American countries. Use the accompanying quiz to test this knowledge South American database Quiz South America Category	Exploring maps of South America Use the activities to explore areas in more detail.
8	What is Antarctica like?	Antarctica Category Antarctica Fact File	Explore features and facts of Antarctica
9	How is Alaska different to Cornwall?	Use of 2Write in collaborative mode to compare the two areas.	What are the physical features of Cornwall? What are the physical features of Alaska? How are they different
10	How is Alaska similar to Cornwall?		What are the human features of Cornwall? What are the human features of Alaska? How are they similar

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 1 – Oceans and Seas

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is an ocean?	Oceans Labelling: Oceans Topic	Where are the World's oceans?
2	Where are the world's oceans?	Use of the Submarine mashcam to be an under-sea explorer and report on the information from the lesson: Use text or voice recording.	Location of each ocean by identifying the surrounding continents Difference between an ocean and a sea Identifying the different types of seas (enclosed by land or between ocean and land)
3	How deep is an ocean?	Use of the Diver mashcam to be an under-sea explorer and report on the information from the lesson. Use text or voice recording.	5 layers of the ocean (sunlight, twilight, midnight, abyss, trench) What bioluminescence is Bioluminescent animals Identifying 3-4 facts about each layer
4	Why are our oceans important?	Use of the Fisherman mashcam to be an under-sea explorer and report on the information from the lesson. Use text or voice recording.	Ocean covers 70% of our earth Importance of the ocean habitat to animals oxygen food medicine weather patterns transportation

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

5	What lives in the ocean?	Animal Habitats Quiz Habitat Types Quiz About Mammals	<ul style="list-style-type: none"> • What a habitat is? • Pupils will learn about 4 habitats
6	How is the ocean different at the North Pole and the Equator?		
7	Why are the oceans under threat?	Climate Change Slideshow Oil Slick newspaper template Water Use Writing Frame The Environment Category	
8	How are people protecting the oceans?	Oceans Topic	A variety of activities linked to the ocean.
9	How can we protect our oceans?	Water Pollution Recycle Poster	Write about the different ways that water can be polluted. How to reduce plastic waste and what actions pupils can take
10	Campaigning to protect the oceans		

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 1 – Villages, Towns and Cities

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Where are all the world's people?		
2	What is a settlement?	Create a 2Connect mind map with the information	People live in settlements. What the differences are between villages, towns and cities. Increasing numbers of people live in cities.
3	What affects where people live?		
4	How are settlements shaped?		
5	What makes up a city?		
6	How are cities and villages different to live in?		
7	What human and physical features can I find in my settlement?	Local Area Study	Review the physical and human features in a settlement.

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

			Identify features of the settlement where the pupil lives.
8	Can I sketch a map of my settlement?	Local Area Study	Practice sketching a map of a street. Model the process of sketching a settlement. Sketch a small part of the settlement where they live.
9	Can I use symbols and a key in my map?	Island Map Paint project Map Symbols Pairs Game	Use of map keys and symbols.
10	How do I describe where things are in my settlement?	Compass Labelling 2Go Tool 2Go Guide	Review compass directions and directional language. 2Go Challenge 3 Set additional tasks using the 2Go Island Background or upload maps as a background.

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 1 – Brazil

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Where is Brazil?	South America Countries Labelling South American Database Brazil Fact File South America Category	Map Labelling Quiz Use this database to explore South American countries. Use the accompanying quiz to test this knowledge South American database Quiz
2	Why do people visit Brazil?	Brazil Postcard	This writing template includes additional information about Brazil
3	What are the features of cities in Brazil?		
4	How do experiences within Rio de Janeiro differ?		
5	How are populations within Brazil moving?		
6	What is the weather like in Brazil?	Tropical Climate Postcard	Write a postcard from a tropical climate.
7	How is the weather in Brazil different than the UK?	Weather Report UK Weather Mashcams: Woman Man	Create contrasting weather reports.
8	Who lives in the Amazon Rainforest?	Rainforest Topic Link	A variety of rainforest activities.
9	Why is the Amazon rainforest declining in size?	Deforestation Debate	

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

10	Why is Brazil difficult to describe?		
----	--------------------------------------	--	--

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2

Key Stage 2 - Mountains, Volcanoes and Earthquakes

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is the earth made of?	Layers of the Earth Quiz	
2	What are fold mountains?	Mountains Topic	
3	How are volcanoes made?	Volcanoes Topic	Understand what volcanoes are Examine how volcanoes vary Explain what stratovolcanoes are
4	How does an earthquake occur?	Earthquakes Topic	Grasp how tectonic plates move Explain what an earthquake is Investigate how an earthquake occurs
5	What happens when a volcano erupts?	Volcanoes Topic	
6	What happens when an earthquake occurs?	Tsunami Topic	Explore what a tsunami is
7	How can we protect against earthquakes?	Earthquakes Topic	

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 2 - Building Locational Knowledge - Europe

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What are the countries of Europe?	Europe Countries Labelling	Identify Europe on a world map Identify the location of the United Kingdom Explore other countries in Europe
2	What are the physical features of Europe?	Europe Category link	Identify the environmental regions of Europe Explore the physical features of two contrasting European regions
3	What are some of Europe's most important human characteristics?	Europe Capital Cities Labelling	Identify Europe's major cities Explore where people in Europe live Identify where Europe's natural resources are located

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 - Water, Weather and Climate

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Where is the Earth's water?	Water Topic	Review where Earth's water is found Articulate how water moves Explain what the water cycle is
2	What makes up the weather?	Weather Topic	Set out what the weather is made of Differentiate between weather and climate read a weather forecast
3	Why does it rain?	Water Cycle Writing Template Water Cycle Quiz Water Cycle Developing Tray Activity	Explain what causes rain to form Review how mountains help cause rain Explore what a rain shadow is
4	Why does the UK have wild weather?	Weather Types Writing Frame	Understand why the UK's weather can change daily Articulate what an air mass is Examine how the characteristics of the air mass affect the weather
5	What is the reason for seasons?	Seasons Writing Frame Seasons Topic	Explain how the Sun sustains life on Earth Review how the tilt of the Earth creates the seasons Explore how the seasons are different in the different hemispheres
6	Why is the world's weather changing?	Weather Types Writing Frame Climate Change Slideshow The Environment Topic	Examine how climate differs in different parts of the world

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

			Explain the ways in which the weather differs Explore why the climate is changing Examine How climate change is affecting the Earth
--	--	--	---

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 - Building Locational Knowledge - North America

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What are North America's countries and physical features?	North America Countries Labelling Central America Countries Labelling North America Category	Identify North America on a world map. Identify the different countries of North America.
2	What are some of North America's most important human characteristics?	USA Cities Labelling Canada Cities Labelling	Identify North America's major cities
3	What is the climate like in parts of North America?		

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 - Rivers

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Where are the world's rivers?	Rivers Category Ancient Egypt and the Nile	A variety of river related activities Example of a famous river and why it is important
2	How do rivers shape the land?	The Geography of a River The Geography of a Valley The Geography of a Hill	Write about features of a river including physical, human, environmental and natural.
3	What landforms do rivers create? (I)	River Facts River Features Rivers Leaflet	Write about the features of a river from source to the sea including tributary, gorge, waterfall, rapids, meander, oxbow lake, floodplain and estuary.
4	What landforms do rivers create? (II)	River Facts River Features Rivers Leaflet	Write about the features of a river from source to the sea including tributary, gorge, waterfall, rapids, meander, oxbow lake, floodplain and estuary.
5	Why are rivers important to people?	The Geography of a River	Write about features of a river including physical, human, environmental and natural.
6	What happens when a river floods?		

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 2 - Building Locational Knowledge - the United Kingdom

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is the geography of Scotland?	UK Countries Labelling	Locate Scotland on a map of the United Kingdom.
		Scotland Counties Labelling Capital Cities of the British Isles - Labelling Quiz Edinburgh Postcard	Identify cities and regions
		Scotland Postcard	Write a postcard including important physical characteristics of the country and land use in Scotland
2	What is the geography of Wales?	UK Countries Labelling	Locate Wales on a map of the United Kingdom.
		Welsh Counties Labelling Capital Cities of the British Isles - Labelling Quiz	Identify cities and regions.
		Cardiff Llandudno Tenby	City Postcards
		Wales Swansea	Write a postcard including important physical characteristics of the country\city and land use in Wales
3	What is the geography of Northern Ireland?	UK Countries Labelling British Isles Labelling Quiz	Locate Northern Ireland on a map of the United Kingdom.
		Northern Ireland Counties Labelling Quiz	Identify cities and regions

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

		Belfast	City Postcard		
		All about Northern Ireland	Write about important physical characteristics of the country and how land use and physical features are different to Wales.		
4	What is the geography of England?	UK Countries Labelling English Counties Labelling Quiz	Locate England on a map of the United Kingdom		
			Identify cities and regions.		
			Identify important physical characteristics of the country. Explore how land use and physical features are different to Northern Ireland.		
		Bath	Birmingham	Newcastle	City postcards
		Sheffield			
		Birmingham	Bristol	Newcastle	All About ... Guides
Sheffield	London	Somerset			

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 2 - Migration

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is migration?		
2	How do migrants vary?		
3	How does migration affect people and places?		
4	What is economic migration?		
5	What is a refugee?		
6	How might climate change affect migration?	Climate Change slideshow Climate Change Quiz	Explain what climate change is and how the climate is changing.
7	“All migrants are forced to leave their home.” To what extent do you agree?	Use 2Connect to plan. Use 2Write to write the essay.	Draft an extended essay reviewing the unit and answering the question

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 2 - Building Locational Knowledge - Hemispheres and Tropics

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What are the hemispheres?	Labelling Quiz	Locate the Northern and Southern hemispheres on a globe & explore countries in each one. Identify the Tropics of Cancer and Capricorn and review the latitude of different countries, including the UK
		Tropical Postcard	Describe the significance and importance of the equator & explore countries that the equator goes through.
		Habitats Quiz	
		Rainforest Habitats	
2	What time is it in different countries?		
3	What is the geography of the Arctic and Antarctic?	Polar Regions Category	A variety of activities linked to polar regions.
		Antarctica Category	Explore features and facts of Antarctica.
		Antarctica Fact File	

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

Key Stage 2 - Natural Resources

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Where are the world's natural resources?		
2	How has the use of natural resources changed?		
3	What natural resources does Chile have?	Chile Fact File Chile Postcard Miner Mashcam	Review where Chile is located Investigate which natural resources Chile has Explore why Chile mines copper
4	What natural resources does the UK have?		
5	How does resource exploitation cause problems?	Energy Types Quiz Renewable and Non-Renewable Resources	
6	What is the circular economy?	Recycling Topic Linear Economy Circular Economy	Contains a variety of activities about waste and recycling. Explain the difference between a linear economy and a circular economy Examine how the circular economy will benefit people and the place

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 - Building Locational Knowledge - South America

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Which countries are in South America? What physical features can we find in South America?	South America Countries Labelling South American Database – Use this database to explore South American countries. Add to this database with further knowledge. Use the accompanying quiz to test this knowledge South American database Quiz	Identify South America on a world map. Identify the different countries of South America. Identify the environmental regions of South America.
2	What are some of South America's most important human features?	South America Category	Identify South America's major cities. Explore economic activity on the continent. Identify where South America's natural resources are located
3	What are the physical and human features of Chile?	Chile Fact File Chile Postcard Miner Mashcam	What are the physical features of Chile? What are the human features of Chile? How does Chile's access to natural resources have an impact on its people
4	How are Chile and the UK similar and different?		

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 – Local Fieldwork

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Why do geographers do fieldwork?	Local Area Study Category	Activities to guide local area fieldwork.
2	What enquiries are geographers currently doing?	Use a 2Publish Template such as What Have I learnt? To record results.	Interview a professional geographer and interview them about their research Explore how they are using fieldwork and which tools they use
3	Tools of fieldwork - maps	Maps Topic	
4	Fieldwork: can I create a sketch map of roads in my community?	Local Area Study Category	Activities to guide local area fieldwork.
5	Tools of fieldwork: surveys and questionnaires.	Local Area Study Category Measuring Weather	Activities to guide local area fieldwork. Specialist tools used by meteorologists.
6	Fieldwork: can I create a field sketch of my community?	Local Area Study Category	Activities to guide local area fieldwork.
7	How do geographers develop an inquiry question?	Fair test Comparative test Use of graphing tools to record results: 2Graph , 2Calculate ,	Understand the process for identifying a question you want to answer.
8	Fieldwork: can I collect data about road use in my community?	Local Area Study Category Use of graphing tools to record results: 2Graph , 2Calculate ,	Activities to guide local area fieldwork.

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](#)

9	How do geographers present their data?	Use of graphing tools to record results: 2Graph , 2Calculate , Combine graphs with text using 2Publish templates or 2Blog	Explore why data presentation is important. Reflect on how data can be presented. Present your data.
10	What do geographers do with their data?	Fair test Comparative test Write a report using 2Publish templates	Draft the analysis and conclusion of the fieldwork. Answer the enquiry question.

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 - Biomes

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What are the Earth's biomes?	2Connect	Create a 2Connect mindmap about the world's different biomes and their distinct climatic conditions, flora and fauna.
2	Where are the Earth's biomes?	Continent Pages: Africa Asia Australia Antarctica Europe North America South America Habitats Topic	Review the location of different biomes Examine which biomes occur at different latitudes Explore which continents are most diverse in terms of biomes Examine countries with particularly diverse biomes in them
3	What affects an ecosystem?	Use a 2Publish template to write a report on the features that affect an ecosystem.	Examine the different factors that affect an ecosystem, including rainfall, temperature and sunlight Explore how human activity affects an ecosystem
4	What is the tundra?	Adaptation to Tundra Polar Climate Postcard All About the North Pole	Explore how animals and plants have adapted to life in a tundra environment.

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: @2simplesoftware

5	What is the taiga?	Blank Postcard Template	Write a postcard identifying the characteristics of the taiga and exploring the flora and fauna that inhabit this biome
6	What are the grasslands?	African Safari Postcard	Write a postcard from the African savanna, exploring the flora and fauna that inhabit this biome.
7	How are biomes being damaged?	Climate Change Slideshow Climate Change Quiz	Explore how biomes are threatened by climate change Examine how biomes are threatened by human activity Predict what the future might hold for Earth's biomes
8	How are biomes being protected and preserved?	2Connect – Biomes mind map	Create a mindmap exploring different ways that biomes are being protected and preserved.
9	Are biomes all equally fragile? (I)	Create a leaflet on 2Publish to display your learning on biomes and their fragility.	Review what has been learnt about different biomes and review their relative fragility
10	Are biomes all equally fragile? (II)	Create a leaflet on 2Publish to display your learning on biomes and their fragility.	Draft an extended response that effectively answers these questions

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](#)

Key Stage 2 - Energy and Sustainability

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is sustainability?	2Connect – Create a mindmap about sustainability.	Create a mindmap to explore what sustainability is and explore examples of sustainable practice.
2	How do we produce energy? (I)	Renewable or Non-Renewable Quiz Different Energy Types 2Pairs	Non-renewable and renewable energy and consider the pros and cons of fossil fuels.
3	How do we produce energy? (II)	Use 2Graph to plot information on a bar chart.	Interpreting data about energy production in different countries.
		Renewable Energy Leaflet	how renewable energy is produced.
4	How is Curitiba sustainable?	Use a 2Publish Template such as What Have I learnt? To record results.	Understand why Curitiba introduced new city plans Investigate how Curitiba has become more sustainable Analyse what is unusual about Curitiba
5	How is Freiburg sustainable?	Use a 2Publish Template such as What Have I learnt? To record results.	Understand where Freiburg is Articulate how Freiburg is sustainable Review what is special about Freiburg

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

6	How will we produce and use energy differently in the future?	2Connect – Create a mindmap about energy security in the future.	Energy security and the need to shift to renewable, sustainable forms of energy.
7	How sustainable is my community?	Use 2Connect to explore how well UK communities measure up to the example of Curitiba and Freiburg.	Review the access to public transport, access to green space and commitment to recycling of a UK community
8	Fieldwork: how sustainable is my community?	Use a 2Publish Template such as What Have I learnt? To record learning about their own community.	Examine pupils' own community in terms of access to public transport: time to walk to the nearest public transport and time to access schools / shops & other amenities; green space & recycling
9	Plan a letter, with recommendations, to my local MP.	Blank Letter Template	Use the findings from the fieldwork and the examples of Curitiba and Freiburg to plan a letter to the local council making suggestions for how the community could be more sustainable.
10	Write a letter with recommendations for greater sustainability to my local MP.	Blank Letter Template	Identify the right authority figure to write to Draft a letter incorporating research and the case studies recommending actions to be taken to improve sustainability of the community

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

Key Stage 2 - Population

Lesson Number	Lesson Title	Purple Mash Link	Information
1	Where are the world's people?		
2	Why does population change?		
3	What is a population pyramid?		
4	What challenges can a growing population present?		
5	What challenges do people face living in slums?		
6	What challenges can an ageing population present?		
7	How can we make sure that there is enough food for everyone on Earth??		
8	How is the population distributed in the UK?		
9	"A lack of food is the biggest population challenge of our time." To what extent do you agree?		
10	"A lack of food is the biggest population challenge of our time." To what extent do you agree?		

Need more support? Contact us:

Key Stage 2 - Globalisation

Lesson Number	Lesson Title	Purple Mash Link	Information
1	What is globalisation?		
		Old and New Transport	Explore why the development of transport has been important for globalisation.
2	How has globalisation changed the way we communicate?		
		About the Internet	Write about the Internet and how it can be used to communicate. What are the advantages and disadvantages of communicating on the Internet?
3	How does globalisation affect trade?		
4	What does globalisation have to do with fashion?		
5	Fashion research: where were my clothes made?		
6	What does globalisation have to do with food?		
7	Food research: Where does my food come from?		
8	Where will globalisation lead us?		
9	How globalised is your life?		

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)

10	What impact has globalisation had on your life?		
----	---	--	--

Need more support? Contact us:

Tel: +44(0)208 203 1781 | Email: support@2simple.com | Twitter: [@2simplesoftware](https://twitter.com/2simplesoftware)
