

## Story Sequencing Question

Put these events in the order in which they happen in the story, numbering them from 1 to 5. The first one has been done for you.

He wondered whether he would ever get to see other places.

Skylark roared but there was another roar coming from elsewhere.

Ash felt frustrated with the new living arrangements.

His sister Skylark started playing a guess-the-animal game.

A sabre-toothed cat threatened the family.
